For two-thousand years Christ has waited for mankind to come to a true understanding of His mission, the uniqueness of His gift and the fulfillment of His plan. That time has come. Drawing upon direct experience of advanced stages of consciousness, Solomae reveals the mysteries of the Christing process. In these pages, Solomae shares the way in which Christ comes into embodiment through humanity. You will have an advanced understanding of the Holy Spirit, the Christ Body, the forces that oppose The Christ and the path that mankind must follow if they are to enter the narrow gate and experience true divinity. This book is for anyone who: Has yearned for a deeper and more advanced understanding of Christ's message; Has turned away from religion in search of a deeper truth; Has wondered about the differences between the Eastern and Western spiritual paradigms; is searching for peace, truth and the direct experience of Divine love.
